Endorsement of the Revenue Department, Mis. No.4774, dated 6th December 1898, transferring, with reference to G.O. No. 883, dated 13th October 1898, the Proceedings of the Board of Revenue (Separate Revenue) Mis.No.4725, dated 1st December 1898.

O R D E R:-No.5, dated 2nd January 1899.

The Board of Revenue is correct in its presumption that the provision of R.5910 made in G.O.No.883, Financial, dated 13th October 1898, which has since been reduced to R R.4,600 in the revised estimates passed in G.O.No.1346, dated 17th December 1898, represents the pay of peons of the Salt, Abkari and Customs Department deputed on plague duty. Unless additional establishments have been entertained in place of the men so deputed, the pay of the latter is not an indirect plague charge and no reappropriation is necessary. It is not clear how the case stands, and the Board will be requested to enquire and report further on the matter.

Resolution

With reference to the Government Order read above the Board begs to report that of the estimate of R.5910-0-0 shown as Indirect Plague Charges for the current year under 5 and 7 Salt and Excise, R.4000 may be met from the difference between the Sanctioned and Revised estimates under "Salaries, Establishment and Contingencies" which was reported in paragraph 2 of Board's Proceedings No.304,dated 7th October 1898,to be available as savings and the balance from the further savings likely to be effected in the provision made for "Excise licenses' works".

2. The Board is not aware of the details of the amounts (R.5,910 and R.628) shown under Budget estimate for the current official year,and under actuals upto the end of July 1898 respectively, against 5 and 7, Salt and Excise,in pages 16 and 19 of Appendix A to Government Order No.883, Financial,dated 15th October 1898;but if, as it presumes, they represent ~~ten~~ the pay of the peons of the Salt,Abkari and Customs Department deputed for Plague duty,it would respectfully enquire whether any special transfer of funds from the Salt and Excise budget is necessary,seeing that it has already been decided that the pay of these men should not be treated as an Indirect Plague Charge. Vide latter portion of paragraph 1 of the general instructions in the Appendix to Government Order No.698,Financial,dated 15th August 1898.
