No 3964  
On

Revenue Settlement Office  
1992  
Madras 16 November 1876

From

The Director of  
Revenue Settlement

To

The Acting Under Secretary to  
Government R. Dept.

Sir

In reply to your proceedings No 1814 dated 14<sup>th</sup> Instant, I have the honor to inform you that the extra establishments allotted to are employed on the preparation of pottahs & settling registers in the districts of Chingleput, Sivevelly and Cuddalore, where Settlement is actually in progress, in copying sketches & land registers for the Survey in North Arcot now under demarcation & in settling registers and copying proofs for

for the press in the Central  
office Madras.

General savings on the  
sanctioned establishment have  
been always applied in this  
manner, as without this  
extra establishment, numerically  
strong but lowly paid, work  
would come to a stand still.

3. In Tinnevely, for instance,  
there are but 20 classifiers on  
the regular establishment,  
but I have about 100 extra  
hands engaged on the Settlement,  
& even with these I make slow  
progress.

4. In Malacca I have 114  
men employed in denmarking  
cultivation in unsurveyed waste,  
and 33 men employed in  
writing up accounts, preparing  
diglott registers, and correcting  
proofs for the press in my office.

office in Madras.

1992/2

5. For Kurnool, Quorapah  
& Chingleput for which district  
registers are being printed, I have  
a large number of readers,  
registers & correctors in my  
office, & to show how requisite  
this work is, the firm of  
James Cookson & Co. who are  
printing the registers, keep  
no less than 120 men in my  
office to aid in correction and  
send reference to and from the press.

I have the honor to be  
Sir
