GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

14th June 1877, No. 1,992.

Famine Relief.

Read the following paper:—

No. 292. Proceedings of the Board of Revenue, dated 5th June 1877.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cudatani, 28th May 1877, No. 415.

I HAVE the honor, with reference to paragraph 6 of G.O., No. 329, dated the 31st January last, to report upon the condition of laborers upon relief-works.

2. The Sub-Collector reports on the 19th instant that there is no deterioration apparent. I suppose he means since the date of his letter, No. 143, dated the 28th ultimo, copy of which was forwarded by me to the Board in my letter, No. 370, dated the 16th instant.

3. The Head Assistant Collector reports on the 19th instant: "No deterioration observable among those who have been working on the present scale of wages."

4. The Deputy Collector of the Anantapur Division reports on the 21st instant that "the physical condition of the coolies has not changed to any appreciable degree."

5. The Tahsildar of Anantapur, however, stated that the condition of some of them was deteriorating gradually from the intense heat of the season.

6. The Deputy Collector of the Bellary Division reports on the 22nd instant that "the physical condition of the relief laborers has been fair." He states that he had, however, increased the wages of about a hundred persons who had become weak to 2 Annas a man, 1 Anna 9 Pies for a woman, and 1 Anna for a child, and put them upon light work.

7. These are all the reports I have received at present.

8. The condition of the laborers on the Bellary-Hubli Railway is generally good.

9. Now that wages have been universally raised under the provisions of G.O., Revenue Department, No. 1,788, dated the 22nd instant, I hope we shall not hear any more complaints of the insufficiency of the rate of wage.
