GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

14th June 1877, No. 1,993-A.

Famine Relief.

Read the following papers:—

No. 295-A. From Surgeon-Major W. R. CORNISH, F.R.C.S., Sanitary Commissioner for Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, Fort St. George, dated Madras, 9th May 1877, No. 433.

I HAVE the honor to submit, for the consideration of Government, that in G.O., No. 1,376, of 9th April, on the recommendation of Surgeon-General G. Smith, the Medical Officers placed at my disposal for inspection duty are granted a per-diem allowance of Rs. 5 in addition to their salaries and mileage.

2. But some of these officers have represented that by G.O., No. 693,* of 15th February, all Civil and Military Officers engaged in famine relief-works

* Government of India.

are granted an allowance of 300 or 200 Rs. per mensem according to their length of service, and they request that the same allowances may be sanctioned for them, as their work necessitates much moving about in the distressed part of the country.

3. If Government should see fit to grant the famine allowance in lieu of the special allowance of Rs 5 per diem, I think the necessities of the case will be met.

4. Most of the officers with me are under five years' service, and they would draw Rs. 200 instead of 150 Rs. a-month, while two only would be entitled to the Rs. 300 as officers of more than five years' standing.

REFERRED to the Accountant-General for an expression of opinion as to whether the Medical Officers referred to are entitled to the allowances asked for.

(By order,)

(Signed) J. H. GARSTIN,
Additional Secretary to Government.

No. 295-B. From L. C. PROBYN, Esq., Accountant-General, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 31st May 1877, No. 231.

WITH reference to the accompanying letter, No. 433, dated the 9th instant, referred to me with your endorsement, dated 24th idem, I have the honor to state that in my opinion the orders of the Government of India quoted by the Sanitary Commissioner do not cover the grant of the higher allowances to the Medical Officers deputed to sanitary inspection duty. It is for the Government to determine whether the allowances sanctioned in G.O., No. 1,376-A, dated the 9th April 1877, are sufficient. If deemed insufficient the matter should, I submit, be reported to the Government of India.

When S. Cornish submitted
the names of the Judicial
officers who were to be his
Medical Inspectors he
suggested they should be
allowed 500 Rs. a year
extra allowance. This
was granted. These
officers now want to have
200 or 300 Rs. a month
according as they are ^{under}
in ^{under} 5 years service
as laid down in G.O.
Feb. 15th No. 693 A.
That G.O. only relates however
to Judicial Civil officers
from the ^{under} provinces.
Some of the Medical Inspectors
however from Bengal.

The response was
sent to us from
that source as
of L. G. Smith to be
sufficient.

The question now
raised is one of right
rather than of sufficiency.

I see no reason
for this insufficiency - but
if there is reason
it will be the right of
the officers to be paid
on any other basis
from the Ministry of
the State as a rule.

I venture to believe that
the same measure is proposed
for India as well. The matter
stands thus.

In 1874 the Govt of India settled a certain
scale of pay for officers of a certain
rank.

In 1877 the Indian Govt adopted
that scale and directed that
the Military & Civil officers in
the provinces w/ set pay
accordingly.

Under the existing system of the
Govt. Govt. aspect that they
in Military officers are entitled
to that pay. (70)

The question is one of the

the Madras Govt. being the

Mr. Donat satisfy this
