SIR,—I am directed to forward the accompanying Proceedings of this Government embodying an explanatory letter from the Acting Head Assistant Collector of Bellary as to the paucity of the number of Mysore coolies found in that district when the officer deputed by the Mysore Government, to take charge of such as there were, arrived at Pennakondah.

I have the honor to be,
Sir,
Your most obedient servant,

Sir,

The Board's Proceedings, No 2022,
dated 1st May 1877. and G.O. No 1315,
dated 21st April 1877 indicate that
there is still some misunderstanding
about the Mysore Coolies who have been

that when a Mysore Officer came to take charge of them he could only find forty persons. The fact is that the latter circumstances had really nothing to do with the former, and the only wonder was that the Mysore Officer found any of his countrymen in our taluqs, coming when he did. The 17618 Mysore coolies were dismissed in January and at the same time I wrote to the Deputy Commissioners of Kolar, Toomkoor and Chittledroog informing them of the fact. Of course any Mysore Officer coming after that would find no Mysore Coolies, but yet the Assistant Commissioner of Kolar (one of the very districts in which it was known that I had sent back Mysore coolies) was sent on his barren mission to Ramakode
