• Read the following paper :—

No. 299-A. Proceedings of the Board of Revenue, dated 5th June 1877, No. 2,590. Read the following letter from H. T. ROSS, Esq., Acting Head Assistant Collector of Bellary, to J. H. MASTER, Esq., Collector of Bellary, dated Camp, Madaksira, 17th May 1877, No. 367 :—

THE Board's Proceedings, No. 2,022, dated 1st May 1877, and G.O., No. 1,315, dated 21st April 1877, indicate that there is still some misunderstanding about the Mysore coolies who have been the subject of so much correspondence.

2. The Board think that the circumstance of the Mysore coolies who were on our works being persons who "came to the works in the morning and returned to their own homes in the evening," explains the apparently absurd fact that when a Mysore officer came to take charge of them he could only find forty persons. The fact is that the latter circumstances had really nothing to do with the former, and the only wonder was that the Mysore officer found *any* of his countrymen in our taluqs coming when he did. The 17,618 Mysore coolies were dismissed in January, and at the same time I wrote to the Deputy Commissioners of Kolar, Toomkoor, and Chittledroog informing them of the fact. Of course any Mysore officer coming after that would find no Mysore coolies, but yet the Assistant Commissioner of Kolar (one of the very districts in which it was known that I had sent back Mysore coolies) was sent on his barren mission to Pennakonda in March. The reason therefore why he found so few Mysore subjects was that he came to take them away six weeks after his Deputy Commissioner had received information from me that they had been dismissed.

3. I have the honor to point this out with a view to having all uncertainty in the matter cleared up.
