GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

15th June 1877, No. 1,998.

Famine Relief.

Read the following paper:—

No. 304. From L. R. BURROWS, Esq., Acting President of the Municipal Commission, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, Fort St. George, dated 30th May 1877, G. No. 236.

I have the honor to acknowledge the receipt of the Order of Government, dated 17th instant, No. 1,741-A, approving of my suggestion to deepen the East Coast Canal by 2 feet with the famine coolies under my charge at the Sattangad Camp. The abundant rain which fell on the 16th and 17th have filled the Canal to a depth of about 6 feet, and navigation is now fully resumed. It is therefore not practicable to carry out the proposed work, and under the altered circumstances I presume that Government will not approve of the work being put in hand.

No. 305.

ORDER THEREON, 15th June 1877, No. 1,998.

Miscellaneous.

UNDER the circumstances the proposed work must, of course, be abandoned.
