*Proceedings of the Madras Government, Revenue Department,
2nd January 1877.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 16th November 1876, No. 2,841:—

Read again letter from the Collector of Chingleput, dated 2nd September 1876, No. 494, recorded in Board's Proceedings, dated 27th September 1876, Miscellaneous No. 8,265.

Read also the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 9th October 1876, No. 570:—

REFERRING to Board's Miscellaneous No. 8,265, dated 27th ultimo, I have the honor to state that the compensation to the Muttadar for the loss of the waste land therein referred to having been settled prior to the receipt of the Board's Proceedings, No. 559, of the 25th February last, the rule therein contained could not be applied to the same.

2. If applied the reduction in the peishcush would be Annas 10-9, the land being reported as likely to be brought under the plough within two years from the date of acquisition.

In the first of these letters the Collector requests sanction for reduction in the peishcush of the Mambolam Muttu in the Sydapet Taluq from Fasli 1286 of Rupees 29-0-11, being the assessment of lands in that estate taken up for the Northern Extension of the Carnatic Railway as shown below:—

	AC. D.	RS. A. P.
1. Dry land cultivated inclusive of house sites, &c.	0 90½	= 1 13 3
2. Wet do. do. ...	6 88	= 24 6 11
3. Pagoda Inams taken up for which Muttadar has consented to give fresh lands in his estate ...	0 73	= 2 0 8
		28 4 10
4. Cultivable waste ...	0 27	= 0 12 1

2. The Collector also requests sanction for payment of Rupees 59-4-0 on account of loss of crop for past Faslis 1284 and 1285, Rupees 28-4-10 to be refunded to the Muttadar and the remainder, Rupees 30-15-2, to be written off in the accounts from the arrears of peishcush, &c., due by the Muttadar.

3. In the second letter the Collector reports that the waste land, Item No. 4 above, is likely to be cultivated within two years, and that the proportionate assessment to be deducted on that account, as per G.O., 7th January 1876, No. 18, Board's Proceedings, 25th February 1876, No. 559, is Annas 10-9.

4. The lands in this case were taken up in Fasli 1283. The Muttadar collected his rents for that year. He is therefore entitled to loss of crop for Faslis 1284 and 1285 and for reduction in the peishcush from Fasli 1286 of the value of the land taken up.

5. The sanction of Government is therefore requested for the reduction in the peishcush of the Mambolam Muttu of Rs. 28-4-10, being the assessment of the Items Nos. 1, 2 and 3 noted above, plus Annas 10-9 the proportionate deduction on account of the waste land, Item No. 4, amounting on the whole to Rupees 28-15-7, and also for the refund of Rupees 28-4-10 and the writing off in the accounts of Rupees 30-15-2 as recommended by the Collector.

6. It is observed that the assessment of the Pagoda Inams taken up has to be paid by the Muttadar to the Trustees of the Pagoda from Fasli 1284 till fresh land is assigned if not already made over. The present peishcush of the estate is Rupees 2,191-11-3. The future peishcush will be Rupees 2,162-11-8.

Acting Secretary to the Board of Revenue, Madras.*

Sir In forwarding the enclosed copy of a letter from Deputy Collector C. Venkatesiah Esq. dated 15th ult. proposing a reduction of Rs. 29-11 in the Peishcush of the Mambalam Mutt in the land apart value, in account of lands taken up for the South Indian Railway. I have the honor to request the sanction of the Board.

bound to the reduction.

2. The rates of assessment - fixed on such description of land taken up, have been arrived at after careful consideration and scrutiny of the Muttadai accounts, and are in my opinion, moderate, considering that the lands are situated in close proximity to Madras.

3. I also request the sanction of the Board for the payment of a money compensation of Rupees 28-4-10, being the loss of Melwarum sustained by the Muttadai in Fushli 1284, and to write off the accounts the sum

sum of Rs. 30-15-2; being the proportionate areas of Perushuk and road up due on the lands in question for Fushli 1284 & 1285.

3. The Yemindan applies for reduction of Peshkush for items 2, 3, 4 & 5. He says that his village was Cyraished by Government in Fasli 1250 or 35 years ago, that the rent from his tenants was collected in kind up to Fasli 1263, but that his late father Venatarajava Reddy classified all the lands in Fasli 1264, and fixed a ready money rent with reference to the nature of the soil, and that money rent has ever since been collected. The area of land taken up under each class

class with the amount of rent according to the Yemindar's rates is shown below:-

4. The lands were taken up in October 1873 or at the beginning of the cultivating season of Fasli 1283, but as the Yemindar Syaradar collected rents from his Ryots for that Fasli, the Yemundar is entitled to compensation

1 Compensation for the loss of his Inl.
 - award only from Fasli 1284 as
 1 will be seen from the enclosed by geth
 given by him.

2 5. This estate constituted the marginally noted 4 villages, and the Peishensh on it is Rs 2,91-11-3.
 3 *Manikslam, Steekoudram, Theroomangalam, Sivankudal.*

4 The amount of assessment to be deducted from the demand of Fasli 1286 is Rs 29-11 as detailed in para 3. For the previous Fasli, namely 1284 & 1285, a sum of Rs 29-4-0 has to be compensated as shown below

Fasli	Assessment	Road fund at 2 pie per Catta	Total	Amount to be rec'd - Budget	Amount to be written off the accounts from the arrears of Peishensh & Road Cell
1284	28 4 10	1 5 2	29 10 0	28 4 10	1 5 2
1285	28 4 10	1 5 2	29 10 0	" " "	29 10 0
Total	56 9 8	2 10 4	59 4 0	28 4 10	30 15 2

6. It will appear from the accompanying memo received from

from the Tahsildar, that the amount of Peishensh due for Fasli 1284 has been paid in full, consequently the amount of assessment for that year on the lands taken up should be refunded to the Zemindar, while the amount due for Fasli 1285 should be written off the accounts from the arrears outstanding against him.

7. As already stated, the Zemindar has agreed to give lands of equal value from his estate for fresh assessments in lieu of Andica savaperimal and Cesi Visvanathaswamiyar's Pagoda Inam lands on condition of making a reduction of assessment from the Peishensh.
