GOVERNMENT OF MADRAS.  
REVENUE DEPARTMENT.

15th June 1877, No. 2,000.

Famine Relief.

Read the following paper:—

No. 308. From J. F. PRICE, Esq., Acting Collector of Cuddapah, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Madanapally, 4th June 1877, Extra No. 1,311.

I HAVE the honor to report that in the relief-camps of the district, and particularly in that at this station, many young children who have been picked up and sent in by the Police and village Reddies, and who, when questioned, either know or will say nothing as to the locality of their homes, and who have no relatives.

2. These children, some of whom are now in capital condition, cannot be turned out, for they are too young to work, and would soon be back again in as bad a state as when they were first admitted.

3. They should, I think, be separated more than they are from the other inmates. I would, therefore, request the sanction of Government for the entertainment of one nurse,\* or, where necessary, two to look after these children, whom

\* On Rs. 6 per mensem.  
I could then place in a separate hut and feed separately.

4. I am having all those who are strong enough here employed in sweeping the camp by two or three under the charge of one of the inmates, who being maintained cannot be discharged. This keeps them out of mischief and prevents their acquiring lazy habits.

No. 309. ORDER THEREON, 15th June 1877, No. 2,000.

Miscellaneous.

2000

THE Government sanction the Collector's proposal to separate the foundling children and place them under a nurse. He should, if possible, employ one or, if necessary, two women of the camp who should be well selected and not changed frequently. They should be remunerated by a small money-dole, amounting to, or within the limit of, 6 Rs. proposed by the Collector.

Sir,

I have the honor to report that I find  
the in the Relief Camps of the District,  
and particularly in that at this station,  
many young children who have been

I would therefore request the sanction of

4. I am having all those who are

the camp for an hour or two a day under

I think a nurse  
is necessary & that  
Mr Peck's proposals  
may be approved -  
but I submit that  
the question of how  
these children are  
eventually to be disposed  
of is one which merits  
attention. I do?  
suffer the boys <sup>being drafted</sup> into  
the 11th Infantry regiments,  
as ordinary boys, when  
old enough. These  
girls are even difficult  
to dispose of. They are  
again to be kept in an  
Asylum, given some  
little education & trained
