Read the following paper:—

No. 320-A. Proceedings of the Board of Revenue, dated 7th June 1877, Miscellaneous No. 8,195.

Read the following letter from W. J. GLENNY, Esq., Sub-Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Camp Adoni, 6th June 1877, No. 47.

NIGHTLY here for about the last five days, the weather has been particularly sultry, the wind fitful and the sky overcast. Last night at about 10 p.m. rain began, and fell gently at intervals: $1\frac{1}{2}$ oz. registered at the Taluq Cutcherry.

2. No rain has fallen since 7-30 A.M. this morning. The wind was from the north-east during the night. The sky cleared considerably and the wind freshened at about 10 A.M. to-day. But the wind has lulled and the sky has become heavily overcast as I write at 2-30 P.M.

3. Captain Briggs, who has been many years in the district, thinks the rain of the south-west monsoon has begun, and that the mode in which it has set in is encouraging.
