GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

16th June 1877, No. 2,007.

Read the following paper:—

No. 323. Proceedings of the Board of Revenue, dated 9th June 1877.
Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated — June 1877, No. 467.

WITH reference to the Proceedings of the Board, No. 2,138, of the 9th instant, I have the honor to request that I may be furnished with a small supply of the plants and seeds in question for trial on the Sydapet Experimental Farm. I do not anticipate any practical results from the experiment further than the information it would afford to our students, as the climate of Sydapet does not appear to be specially suited for the growth of the plants, and as yet we have no land elsewhere.

SUBMITTED to Government in continuation of Proceedings, dated 9th May 1877, No. 2,138.

No. 324. ORDER THEREON, 16th June 1877, No. 2,007.

Forest. No. 10.

THE Board will ascertain from the Superintendent of Government Farms and report the number of plants of the *Ceara Caoutchouc* and the *Copaiba balsam* he desires to have. Similar information should also be given in the expected reply from the Secretary, Agri-Horticultural Society, which it is hoped will be laid before Government at an early date.
