GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

19th June 1877, No. 2,035.

Read the following paper:—

No. 379. Proceedings of the Board of Revenue, dated 28th May 1877.
Read the following letter from W. S. FOSTER, Esq., Collector of the Godavery District, to H. E. STOKES, Secretary to the Board of Revenue, dated Cocanada, 3rd May 1877, No. 123.

I HAVE the honor to forward, herewith, an estimate received from Public Works Department, amounting to Rs. 55, for repairing the boat supplied by Government to Mr. Kelsal, Sub-Collector of this district, and request you will be pleased to obtain sanction for the same.

2. I would suggest that the Board may ask Government to authorize the officer in charge of the Government Workshop at Dowlaiswaram to spend as much amount as is required within a fixed sum for the future for such repairs without the necessity of obtaining sanction on each occasion. This will, I think, save delay in executing repairs to the boats supplied to me and the divisional officers in the district.

3. I may mention that on my return here I found my boat leaked considerably; I sent it to the Workshop; it has been repaired; I have not received my bill for it yet. It did not strike me then that there was any necessity to get previous sanction for the expenditure, but I understand that it is necessary, as the District Engineer has no funds at his disposal for this purpose.
an unnecessarily long time.

ENCLOSURE No. 1.—Estimate.

THE estimate will be submitted for the sanction of Government.

2. It was decided in G.O., dated 9th September 1876, No. 1,250, that the rent of Government boats supplied to district officers should be raised to 18 per cent. per annum on the cost of construction, the repairs being in future debitable to Government. In the Public Works Department the rent appears to have been fixed so as to provide for all maintenance expenses and for reconstruction once in ten years. The Collector might be authorized to sanction annual repairs within 5 per cent. of the cost of the boats, leaving the remainder of the rent to meet interest on outlay and reconstruction.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th May 1877.

Read the following letter from W. S. FOSTER, Esq., Collector of the Godavery District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cocanada, 3rd May 1877, No. 123:—

I HAVE the honor to forward herewith an estimate received from Public Works Department, amounting to Rupees 100 for repairing the boat supplied by Government to Mr. Kelsall, Sub-Collector of this district, and request you will be pleased to obtain sanction for the same.

2. I would suggest that the Board may ask Government to authorize the Officer in charge of the Government Workshop at Dowlaishweram to spend as much amount as is required within a fixed sum for the future for such repairs without the necessity of obtaining sanction on each occasion. This will, I think, save delay in executing repairs to the boats supplied to me and the Divisional officers in the district.

3. I may mention that on my return here, I found my boat leaked considerably; I sent it to the Workshop; it has been repaired; I have not received my bill for it yet. It did not strike me then that there was any necessity to get previous sanction for the expenditure, but I understand that it is necessary as the District Engineer has no funds at his disposal for this purpose.

4. I need not mention that if we are to get sanction from Madras before any repairs are done to the boats, we shall be deprived of the use of the boat for an unnecessarily long time.

ENCLOSURE No. 1.—Estimate.

2035

It was resolved that the sanction of Government of Government boats supplied to District Officers should be raised to 18 per cent. per annum on the cost of construction, the repairs being in future debitable to Government. In the Public Works Department the rent appears to have been fixed so as to provide for all maintenance expenses and for reconstruction once in ten years: The Collector might be authorized to sanction annual repairs within 5 per cent. of the cost of the boats, leaving the remainder of the rent to meet interest on outlay and reconstruction.
