From

To H. B. Stokes Esq^r
Secretary to the
Board of Revenue
Madras.

Sir, I have the honor to
report for the information of
the Board that I have received
a report from the Tahsildar
of Kadiri taluq that three
inches and seventenths of rain
fell in his taluq on the
night of the 15th instant, that
in

in one village Gandlapenta
a Grahnamment and a Bajar
Aya Kut tank were filled,
and that the latter breached.

From the Tahsildar's accounts
the rain would appear to
have been so heavy as to
have caused destruction
of several houses and
fruit trees, some Chitium
and Horra Crops under wells
were also washed away,
and some cattle lost.

The report as to the condi-
tion of other villages in that
Taluk are awaited. The
reports received up to date
show that a few tanks

in

2036
in Gussapah and Kodhant taluk
received some water
