Read the following paper:—

No. 404-A. Proceedings of the Board of Revenue, dated 4th June 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Moonchavady, 26th May 1877, S.N. No. 1,628.

I HAVE the honor to enclose an estimate for Rs. 3,100 for constructing a road from Pudupett to Natrampalli, in the Tripatore Taluq, and to request the Board of Revenue will be good enough to accord their sanction to the same at an early date. This road was begun when distress was first felt in the Tripatore Taluq, and is considerably advanced, Rs. 1,977 having been spent on it up to date. The road is a useful one as connecting the great mart of Pudupett with Natrampalli on the trunk road No. 1 from Vaniembadi to Mysore.

As the work is so far advanced, nearly two-thirds of the amount having been expended, the Board sanction the estimate.
