No. 405. Proceedings of the Board of Revenue, dated 4th June 1877, No. 2,551.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 23rd May 1877, No. 376.

REFERRING to the Board's Miscellaneous No. 5,584, dated 18th April last, I have the honor to state that the lands required for the supply-channel from the Chembrumbaukum tank to the Government Farm were handed over to the Public Works Department on the 9th instant by the Tahsildar of Saidapet, in anticipation of effecting* a compromise with the owners.

* *Vide* extract from Deputy Collector's No. 150 of 9th instant, enclosed.

2. An approximate statement of compensation, amounting to Rs. 185-4-9, was also forwarded to the Superintendent of Government Farm, Saidapet, on the 19th ultimo, a copy of which I now enclose for the Board's information. I hope to send in the regular estimate of compensation for the channel within a fortnight.

to point out the lands in handing over these lands to the Public Works Department was owing to the fact that the lands were not having been properly marked out by that department in the first instance in the villages noted in the margin, and regarding which references had to be made to the Superintending Engineer.
