No. 2,217.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th May 1877.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 18th April 1877, No. 130:—

HAVING recently made some local inquiries, I am led to believe that the removal of the Deputy Tahsildar from Talavady to Hassanoor is not the best arrangement.

Vide G.O., No. 1,396, of 23rd September 1875, Revenue Department.
Revenue Board's Proceedings, Miscellaneous No. 647, of 24th January 1876.

2. The proposed change originated in an application from the late Deputy Collector Mr. A. M. MacGregor for money to build a house for the Deputy Tahsildar at Talavady owing to its being a small place, and house accommodation not procurable, and the example of Government building a house for the Police Inspector there was cited as a reason for a similar indulgence to the Revenue Officer.

3. As Talavady was remote and small, it was suggested that Hassanoor was a larger village, more accessible, and better for a future head-quarters for the division of Sattiamungalam Taluq.

4. Some re-arrangement of above-ghaut villages was made in prospect of a Deputy Tahsildar being stationed at Hassanoor.

5. I find now, however, that, although Talavady is remote and small, there are reasons which were not urged before, that it should not be changed, it is unhealthy, but so are all the plateau villages, and from its being in the open plain of Mysore, it is likely to be less unhealthy than the hill confined low valley of Hassanoor.

6. But, apart from considerations of health, the convenience of the people in their dealings with Government is the chief, if not sole, consideration.

7. All roads lead to Rome. Similarly all the above-ghaut north villages have hill passes which communicate direct with Sattiamungalam, and Hassanoor, distant twenty miles on the main trunk road, is within easy reach of Sattiamungalam.

8. Not so Talavady, and its cluster of villages, which are twenty miles from Hassanoor, and to the west and north-west of it. These are isolated, and access from them is more easy to Talavady.

9. In making the proposal that there should be no change, I am supported in my view by my present Division Officer Mr. C. A. Mackenzie, who has had fourteen years' experience of this part of the district.

10. A strong police frontier outpost of twenty-seven police with an Inspector has for the public safety to be maintained at Talavady, whereas Hassanoor has only a small station of a Deputy and six men.

11. The need of the frontier police is shown as high-way robberies are committed by persons on the frontier of the district. From Hassanoor to Atticoolipuram is sixteen miles, twelve of which are through a dense and unhealthy jungle. Talavady, four miles from Atticoolipuram, in the Mysore District, commands the western entrance of this forest pass.

12. Such being the state of things, and as the future cutcherry for the Deputy Tahsildar, though sanctioned, has not been built, I would respectfully submit that Talavady should remain, as now, the head-quarters of the sub-division of the Sattiamungalam Taluq.

13. All that now remains is to declare that the six Balaghaut villages taken from Sattiamungalam and annexed to the division should be re-ordered to Sattiamungalam by a notice in the Fort St. George Gazette to that effect.
