Read the following paper —

No. 425. Proceedings of the Board of Revenue, dated 11th June 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 4th June 1877, S/N. No. 312-1894.

I HAVE the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government for the employment of a temporary Accountant, on Rs. 30, in my Office, to be in employ till September next. In the first half of the year the Account Department is heavily worked, and so fully engaged in the preparation, &c., of the ordinary accounts (some of these very important, such as those relating to the Administration, Jamabandy, &c.,) that no hand can be spared to look after the weekly and other returns in connection with relief which occupy the whole of the time of a Clerk who has to carry on constant correspondence with the taluqs and divisions in connection with them. As the auditing work has also been commenced, and arrears of nearly five months are now to be brought up, the audit establishment cannot be made available for the purpose, and by taking a Clerk, the staff will be weakened to the detriment of the efficient performance of the audit. I have the honor, therefore, to request that the Board will support my proposal as above, and obtain the necessary sanction of Government.

SUBMITTED for the favorable consideration of Government.
