GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

20th June 1877, No. 2,051.

Read the following paper:—

No. 431. Proceedings of the Board of Revenue, dated 19th October 1874, No. 3,034.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 5th September 1874, No. 463.

In obedience to the orders of Government, as contained in G.O., of the 17th July 1874, No. 892, communicated to me with the Board's Miscellaneous Proceedings, No. 5,232 of the 4th ultimo, I have the honor to report that orders have been issued to fully assess the Inam alluded to. Being a Religious Service Inam, it was not liable to any quit-rent as the Board appear to suppose, and consequently the full assessment, Rupees 78-14-0, exclusive of the road-cess amounting to Rupees 4-14-11, is available for disposal as Government may direct. In the Inam Register in this office and in that of the Tahsildar the assessment, is entered as Rupees 79-7-10, but the Curnam has reported that the assessment is Rupees 78-14-0, which is adopted by the Tahsildar corfectly, as the sum of Rupees 79-7-10 includes the road-cess at the old rate of 1 Anna per cawny, which must now be excluded. In the Inam Chittah of Fasli 1232 and the Paimaish Register of Fasli 1236, the assessment on the 9 cawnies in question is entered as Rupees 101-7-7, which was reduced to Rupees 79-7-10 at Mr. Malthy's revision of assessment in Fasli 1269.

2. I cannot suggest a better mode of disposing of the Rupees 78-14-0 than by allotting it as a grant-in-aid to the Civil Dispensary at Munjakuppam.

3. I have again carefully examined the Inam Register received from the Inam Commissioner and the Inam Chittah for Fasli 1232 as well as the Paimaish Register for Fasli 1236 in this office, and the copy of the Inam Register kept in the taluq, and find the number of the Title-deed, and the extent, quality, and position of the Inam land to be identical in all, and that the name of the Maniam is "Bandar Bagurla Sha Fakir's Maniam" (Bagurla is probably a corruption of Badrat Ulla) for the support of Batta Sha Sahib's Darga or Mosque.

4. The Curnam of Harigoshti calls it, however, Sultan Bandari Sahib's Takka, and it is from his report evidently that Mr. Thomson took the name entered in the 2nd paragraph of his letter. He also says the Mosque is in Harigoshti, which being close to Porto Novo, and having sixteen hamlets adjoining that town, appears to have been confounded with it; for in the Inam Register the Darga is said to be in Porto Novo.

5. There is no doubt, however, about the identity of the Mosque for the support of the services in which the Manian was given as a personal grant to the first holder Badrat Ulla Sha Fakir of Bandar.

Submitted to Government with reference to G.O., dated 17th July 1874, No 892.

2. Mr. Garstin proposes that the assessment of the Inam, which Government have ordered to be resumed, should be allotted as a grant-in-ad to the Civil Dispensary at Munjakuppam. It could not be employed more usefully, but the Board think that, if it is determined always to devote the assessment of such Inams to purposes of general utility as proposed in G.O., dated 28th August 1874, No. 1,098, a rule might be lail down assigning the assessment to the Local Fund Board of the Circle in which the resumed Inan is situated.

3. In this case the Inam is situated in Porto Novo in the Virdachellum Circle. A Civil Dispensary is to be opened shortly at Virdachellum and there is one already in existence in the Chellumbrum Municipality which is not far from Porto Novo.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 5th September 1874, No. 463 :—
