The coolies are flocking in much
earlier this year and it is impossible

crops - to employ them, except
on reduced pay which with
famine prices for grain will
scarcely give the coolies enough
to sustain them - as it is, the

 date a further allotment of Rs 2000 for
 gratuitous relief in this district, the amount
 sanctioned in Government Orders No 159 and 120
 dated 18th January and 31st March 1877
 respectively, having been nearly expended
 as per enclosed Statement. The balance in

 the last fortnight will be coming in and must
 be paid.

 in May is that the expenditure in that month in-
 cluded part of the expenditure on April the

bills for which were submitted in May. The
Secretary to the Friend-in-need Society
also sent in his bill in May.

3. The expenses on account of sundry
charges, cholera sheds &c. have been kept
distinct and charged to Provincial Funds
