GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

20th June 1877, No. 2,065-A.

Famine Relief.

Read the following paper :—

No. 456. Proceedings of the Board of Revenue, dated 13th June 1877.

Read the following letter from A WEDDERBURN, Esq., Collector of Coimbatore, to H. E. STOKES, Esq., Secretary to Board of Revenue, dated Coimbatore, 1st June 1877, No. 187.

With reference to the Revenue Board's Proceedings, No. 1564, of 7th April 1877, I have the honor to forward an estimate for the direct road from Oodoomalpetta to Chettipolliem, amounting to Rupees 13,157. The distance is 26 miles.

Enclosures.
One estimate, Rupees 13,157.
One copy of letter, No. 117, of 19th May 1877.

The District Engineer has approved of the work and countersigned the estimate, with the remark that "Road dams should be put where water crosses the road, which has already been much cut up for want of such provision." This will be communicated to Mr. Cook.

2. AS regards the question whether this road will hereafter entail demand upon Local Funds for maintenance, this might be left for future decision with reference to the traffic it might attract. If the traffic be not heavy, it may not require any maintenance expenditure for some years.

ENCLOSURE No. 1.

From J. H. COOK, Esq., Special Assistant in charge of Relief Works, Coimbatore, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated Pollachy, 19th May 1877, No. 117.

With reference to your memorandum, No. 1304, of 7th instant, I have the honor to forward herewith two estimates for the roads from Oodoomalpetta to Chettipolliem and Poodoopolliem to Pollachy respectively.

Enclosures 2.

2. With regard to the former, the estimate now made exceeds that originally mentioned in my letter, No. 62, of 25th March 1877, but of course the old estimate was only on a rough scale. Of the 26 miles to be done, some are black cotton, the cost of which, of course, comes to more than on ordinary red soil.

3. The Poodoopolliem estimate comes to what I originally wrote for.

4. I have the honor, therefore, respectfully to request you will be so good as to obtain sanction for the increase on the Oodoomalpetta and Chettipolliem road, as, it being a very important and useful road, it is as well to make it a good one.

The estimate will be submitted for the sanction of Government. A further estimate should be prepared for the road dams stated by the District Engineer to be necessary.

2. The position of the road is marked in blue pencil in the accompanying map (to be returned.)

Secretary.
