No. 479. Proceedings of the Board.

Read the following Proceedings of the Board, dated 26th April 1877, No. 1,3.

ABSTRACT.—Audit work performed by the Accountant-General, so soon as the bills for 1

Sanctioning the transfer to the Accountant-General, so soon as the bills for 1

Communicated to all Collectors, District Officers, District Officers of Revenue Survey, Director of Revenue Settlement, Superintendent of Settlement Farms, Superintendent of Stamps, and Supervisor, Government Printing Office, who will in future forward to the Accountant-General's Office direct all bills for charges hitherto audited by the Board.

2. With reference to paragraph 2 of the Government Order, the Board think it desirable that they should be furnished with information regarding the movements of Collectors and Divisional Officers, and that the decision regarding the admissibility of claims to extra tentage under paragraph 2 of Standing Order No. 1 of 1876 should still rest with the Board notwithstanding the transfer of audit. The submission of a quarter in the subjoined form, in the remark column of which explanation of the necessity for rapid travelling whenever extra tentage is claimed by distance shown, entered, will enable the Board to exercise the requisite check in regard to claims, and afford all the information regarding the movements of officers which is necessary. The Board will communicate to the Accountant-General any objections which may be taken to the necessity for rapid travelling with a view to reattachment, so that it will be unnecessary for him to consider this point in auditing claims.
