No. 481. Proceedings of the Board of Revenue, dated 9th June 1877.
Endorsement of the Chief Secretary to Government, dated Fort St. George, 13th June 1877,
No. 1,247.

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of Madras, to
H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 1st June 1877,
No. 157.

I HAVE the honor to report that one Singaravelu Mudali, a landholder at Purasavaukam, has applied to the Deputy Collector of Madras for an advance of Rs. 480 under the Land Improvement Act for sinking a well in his land. The necessary local inquiries have been instituted by the Tahsildar of Madras, and the applicant tenders as security for the repayment of the loan his lands which he proposes to improve, and which is estimated to be worth about Rs. 900; and also two other pieces of land consisting of 1½ cawnies, all of which are reported to be free from incumbrances. The applicant is employed in the Bank of Madras. Under these circumstances I am disposed to accede to the applicant's request for a loan. The Deputy Collector, however, proposes to restrict the advance to Rs. 300, as it is only a well that has to be constructed, and I agree with him. The loan will be made repayable in six instalments of 50 Rs. each, excluding interest.

2. There is no provision in the Budget of 1877-78 for this charge, and I, therefore, beg that the Board will grant an allotment from general funds.

THE allotment proposed is sanctioned from the general reserve provided for advances under Act XXVI of 1871. Before certifying to the advance the Collector should make certain that the well is for the supply of water for agricultural purposes; otherwise advance is not admissible under the Act.
