GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

22nd June 1877, No. 2,081-A.

Famine Relief.

Read the following paper:—

No. 490-A. Proceedings of the Board of Revenue, dated 9th June 1877.
Read endorsement of the Acting Collector of Cuddapah, dated 6th June 1877, Extra No. 1,333, forwarding copy of a letter addressed by him direct to Government, dated 6th June 1877, Extra No. 1,332, to save delay regarding the bursting of south-west monsoon and effects thereof, and requesting to pass early orders in regard to payment of reserve grain to coolies in the sub-division.

The Board are of opinion that it will be safer not to commence general use of the reserve rice until the fall of prices which they anticipate, will take place on the setting in of the south-west monsoon becomes decided. If such fall does not take place, the emergency will be grave, and it will be well to have the stock in hand. It will not be so easy to throw grain into the district a month or two hence as it has been. Of course it is advisable to use at once any portion of the reserve, which is likely to become spoiled.
