GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

22nd June 1877, No. 2,083-A.

Famine Relief.

Read the following paper:—

No. 494-A. Proceedings of the Board Revenue, dated 9th June 1877.

Read the following:—

Season S.N. No. 156.

OFFICIAL MEMORANDUM.

THE General Deputy Collector has the honor to inform the Collector with reference to his Season No. 776-1075, dated 8th ultimo, that he has invited the attention of all the mittahdars and landed proprietors in his division to G.O., No. 1286, dated 2nd April last, therein referred to.

2. The Mittahdar of Komaramangalam in Trichengode Taluq alone feeds about 15 poor daily in his village, and the others have taken no steps to alleviate the distress of the poor.

3. The mittahdars of Belocoorchi and Kauttopoothur in Namkal Taluq distribute cooked meals to travellers daily, and the Mittahdarnee of Namkal feeds about 150 people daily.

4. This paltry relief is hardly sufficient to satisfy the demand of a considerable number of emaciated poor generally found in the several mittahs, and, if the Government had not extended the system of village gratuitous relief to the mittah villages, many deaths from starvation would have taken place. Among the mittahdars of this division there are only a few well-to-do and wealthy persons, most of whom I have already mentioned above. The others are not in very good circumstances, and we cannot expect their help in any shape to the poor in their estates.

5. Shrotriendars and Inamdars are, as a general rule, so poor that we have often had recourse to attach their movable and immovable property for Government dues, and we therefore can scarcely expect any help from them.

The others are stated not to be in very
