GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

23rd June 1877, No. 2,090.

Famine Relief.

Read the following paper:—

No. 507. From R. S. BENSON, Esq., Acting Head Assistant Collector of Cuddapah, to J. F. PRICE, Esq., Acting Collector of Cuddapah, dated Rajampett, 13th June 1877, No. 580.

In reply to your letter, No. 835, dated 11th instant, I have the honor to inform you that, as doubts were entertained as to the sufficiency of the local market at Wontimitta to meet the large but uncertain demands of coolies going to Nellore from Pullampett and Bellary, I directed the rice in store there to be kept as a reserve and to be served out only in case the local market from any cause failed. The rice therefore remains, no such necessity having arisen.

2. As emigration is now finally stopped, the rice may best be used up in the relief camp at Sidhout. The amount is too small to make it worth while to cart it to the Tungtur works, 20 miles off, and introduce grain-payments there for a day or two.

No. 293.

FORWARDED for the information of Government with reference to G.O., Revenue Department, No. 1,499, dated 20th April 1877. The proposal of the Head Assistant Collector has been approved, and he has been requested to give effect to it at an early date.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

23rd June 1877, No. 2,090-A.

Famine Relief.

Read the following paper:—

No. 508-A. Proceedings of the Board of Revenue, dated 7th June 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 1st June 1877, S. N. No. 309-1690.

THE Pennagondapuram Irrigation Project in the sub-division (the estimates, &c., of which were sanctioned in G.O., No. 923, dated 3rd March last) is now carried out by the Public Works Department, and its execution is entrusted to Mr. Epps, Special Relief Officer appointed by Government, and whose services have been placed at the disposal of the District Engineer; and on the recommendation of the Executive Engineer an Assistant on Rs. 100 has been appointed to aid him. As this officer was not appointed in the regular manner by the Public Works Department, he is not considered to belong to the Public Works Department Establishment, and his pay will not be paid from the Public Works Department Funds. I have therefore the honor to request that the Board of Revenue will be good enough to obtain the sanction of Government to his employment, so that his pay from the Civil Department may be passed by the Accountant-General.

SUBMITTED for the 23rd June 1877

(Signed) H. E. STOKES,
Secretary.

No. 508-B. ORDER THEREON, 23rd June 1877, No. 2,090-A.

Miscellaneous.

HIS GRACE the Governor in Council resolves to direct that the work on the Pennagondapuram Project be carried out by the Public Works Department.

2. Mr. Epps will be borne on the Public Works Department Establishment for that purpose, as also any Assistant whom it may be found necessary to employ under him.

3. G.O., 11th May 1877, No. 1,695-B, is cancelled.

4. The papers will be transferred to the Public Works Department in order that effect may be given to these orders.

Reins:

I venture to re-circulate these papers with the following remarks:

Dr. Epps was appointed to be a Family Relief Officer in Salem - & was placed under the Collector's order. Subsequently, finding that he was a good engineer, the Col. transferred Mr Epps to the Dist. Engineer. The fact became known to Gov. by the Exam. of P. & A. asking whether Mr. E. was or was not to be considered as one on the strength of the D. & A. I have only sent him two in the negative. The Collector

officer appointed by Governor

C/2-6-77 R/5-6-77

Was then called on
to explain by what
authority he had
transferred Mr Epps
to the Dist. Engineer.

He replied but did
not distinctly
answer the question.

It is apparently not
found necessary
then an Asst.
for Mr. Epps & on

Recommendation
of the Dist. Engineer

Mr Longley appears
to have appointed an
Asst on 100 N. as
work is in order
that he may be

able to draw his pay.
The Collector now asks
that the app^t may be
sanctioned.

It will thus be seen
that the Panaguaridapana
Project which is under
Mr Epps' charge is not
being carried out by a
D.P. officer.

The Dist. Engineer cannot
app^t a family officer,
even a D.P. officer
to an app^t of 100 N. as
the Regular Notab^l.

has had Mr Longley
any power to make
the app^t, which must be
either disallowed or

and whose services have
been placed at the disposal
of the District Engineer; and
on the recommendation of
the Executive Engineer an
assistant on Rs 100 has been
appointed to aid him. As this
officer was not appointed in
the regular manner by the
D.P.W. he is not considered
to belong to the D.P.W. Estab-
lishment, and his pay will
not be paid from the D.P.W.
funds. I have therefore
the honor to request that
the Board of Revenue will
