Letter from Collector
of Cuddapah N^o 292
re: for order

I submit it will be
impracticable to enter
the assumption given
a wage relief in the
return with any
approach to accuracy
& that as the money
of the system is coming
into force it will be
unnecessary to attempt
such a measure -
I propose therefore
that Mr Price be told
not to include such
grain in his return.

Very well - ask him
if possible to convey
it into my hands
before it is sent
to the collector.
