*Proceedings of the Madras Government, Revenue Department,
17th January 1877.*

No. 469. Read the following Proceedings of the Board of Revenue, dated 28th December 1876:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 23rd December 1876, No. 721.

In reply to paragraph 2 of the Board's Proceedings of the 15th instant, I have the honor to inform you that I have desired the Sub-Collector to furnish details of proposals for the amount of Rupees 3,775 which has been withheld by the Board for want of these particulars.

2. As regards the grant of Rupees 5,000 already made for the Conjeveram Taluq, I beg to refer you to my No. 674 of the 1st idem, with which was forwarded a copy of the Sub-Collector's letter reporting the details for the appropriation of the same; and to observe that I have called upon him to explain the difference of Rupees 150 between the sum of the particulars therein given and the allotment sanctioned.

3. With reference to the observation made in paragraph 4, I beg to state that, though the Local Fund Board had lately sanctioned the execution of the repairs to certain ponds, on my strong recommendation, after personal inspection, to alleviate distress caused by the drought, still money was found not to be available in the current year's grant under Sanitation, which has had numerous calls on it owing to the same scarcity, and hence the proposal to utilise the timely grant from the Imperial Revenue Fund.
