GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

25th June 1877, No. 2,103.

Read the following paper:—

No. 534. Proceedings of the Board of Revenue, dated 4th June 1877, No. 2,543.

Read the following letter from W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to Lieutenant-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, through the Examiner of Public Works Accounts, dated Kachapur, 29th January 1877, No. 4,509:—

I HAVE the honor to submit, for the orders of Government, the accompanying compensation bill for Rupees 1,120 received from the Collector of Bellary for my countersignature, and to afford the following information in connection therewith.

2. The land alluded to in the bill is situated within the water-spread of the Royalcheruvu tank, Gooty Division; its cultivation was prohibited by the Revenue Department in the year 1869 as being injurious to the tank; the necessity for this prohibition arose from certain Circular Orders issued to the Revenue Department by the Board of Revenue; and it is now proposed to remunerate the owner for the land rendered unprofitable to him by the said orders.

3. The Board of Revenue in their Proceedings, No. 679, dated 10th August 1876, sanctioned certain fresh assignments and additions and reductions of quit-rents with reference to a remunerative statement submitted by the Collector in connection with this tank, and authorized him to dispose of the claim for money compensation under the recent orders of Government bearing upon the subject.

4. The Collector has, however, sent the bill to me for countersignature, but as the Public Works Department was not concerned in the matter, I addressed the Examiner of Public Works Accounts with reference to paragraph 6 of the letter printed with G.O., No. 1,042, of 15th April 1875, to inquire whether my countersignature to the bill was necessary. In reply, he has intimated that the bill must receive the sanction of Government in the Public Works Department before it can be passed by his office.

5. If the bill is sanctioned, an allotment of Rupees 1,120 will be required to cover the payment.
