FINANCIAL DEPARTMENT.

28th March 1877, No. 1092.

Famine Relief.

Read the following papers:—

No. 352. *From Major F. J. HICKS, Government Grain Agent, to the Officiating Chief Secretary to Government, dated Bellary, 21st March* 1877, *No.* 439.

In anticipation of Government sanctioning my proposal to close certain transport routes owing to completion of contracts, I have the honor to forward a notice, which I suggest may be published in the same way as my previous notice in the *Fort St. George Gazette* and three Madras Newspapers. The matter is emergent as the carriage of grain as notified can only be effected at a great loss, and some previous notice must be given to the public before any transport route is finally closed.

NOTICE.

With reference to previous Notifications the undersigned begs to inform the Public that the undermentioned Government transport lines have been closed and no further applications to cart grain along these routes can be received:—
