GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

25th June 1877, No. 2,106.

Famine Relief.

Read the following paper :—

No. 540. Proceedings of the Board of Revenue, dated 13th June 1877.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 5th June 1877, No. 198.

With reference to the orders of Government sanctioning advances to weavers, No. 1,090, of 15th March 1877, R. D. I have the honor to state that as road and irrigation works approach completion, there will be need to extend the provision of work to the weaver class.

2. Up to date I have taken orders for the supply of fine tent cloth for the Ordnance. This can only be woven by the best class of weavers in the chief town, and the quantity required will be but limited.

3. What I would suggest for the consideration of Government is, that for the rest we should order the coarse cloths worn by the poorer classes which all weavers can make, and that such cloths be disposed of at three-fourths price, so as not to accumulate. If any better suggestion occurs to the Board, I shall be glad to receive it.

The Collector should order from the weavers such cloths as he thinks most likely to sell hereafter, but he need not yet sell them at a sacrifice of 25 per cent. when prospects improve.
