GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

26th June 1877, No. 2,115-A.

Famine Relief.

Read the following paper:—

No. 581-A. Proceedings of the Board of Revenue, dated 8th June 1877, No. 2,673.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 30th May 1877, No. 2,647.

WITH reference to the Proceedings of the Board of Revenue, dated the 17th ultimo, communicating G.O., No. 1,391, dated 10th idem, I have the honor to state that the stock of grain remaining on hand in this district both in the taluqs and at the huzur is as shown below:—

2,606 do. of rice.
1,702 do. of cholum.
1,500 do. of grits.

	Rice.	Paddy.	Cholum.	Grits.
Huzur	1,516	359	27	...
Sub-Collector	1,090	...	...	...
Atmakur	...	...	317	...
Udayaghiri	...	...	1,358	1,500
Total	2,606	359	1,702	1,500

2. These quantities will be utilized as directed in paragraph 3 of the Government Order above referred to.

3. I am sorry to say that it has come to my knowledge that a portion of this grain is very inferior. Some of the rice has been rejected on medical grounds at the Nellore Camp, and some of the cholum at Nellorepalem (Atmakur). The "grits" are in Udayaghiri, and I find the stock is considered useless, at all events whilst rice is to be had. I am making inquiries about it.

SUBMITTED to Government with reference to the orders quoted.

No. 581-B.

ORDER THEREON, 26th June 1877, No. 2,115-A.

Miscellaneous.

It is observed that "grits" will not keep well; the Collector should therefore use them under medical advice for relief purposes at once and in preference to rice, taking care to equalize the nutriment contained in the quantities so supplied to that contained in the fixed quantity of the standard grain.

2. The Collector should also consider the advisability of disposing of some of the paddy for seed.
