Proceedings of the Board of Revenue

Dated 3rd April 1877.

Read statement from the Acting Collector
of Cuddapah dated 20th March 1877 No 3
showing the cultivation and Revenue for
the month of January 1877.

Submitted by Government with reference
to their Proceedings dated 29th November
1876 No. 1855.

2. In the Sirkah Taluk, with a slight
increase in the area of cultivation there is
a decrease of as much as 58% in collections.
Madanapalli, with the smallest decrease
(i.e.) 19 percent, in cultivation, shows the
largest decrease, i.e. 84 percent, in collections.
Apparently the collections in these two Taluks

as likewise in Rayachote are in an
exceptionally backward state.
