No. 593-C. Proceedings of the Board of Revenue, dated 9th June 1877.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidpet, 1st June 1877, No. 417.

I HAVE the honor to forward copies of the correspondence, as per margin, that has passed between me and the Superintending Engineer, and to request, if the Board see no objection, that it may be forwarded to Government in continuation of Board's Proceedings, No. 2,386, dated 25th ultimo.

From Superintending Engineer, to Collector, No. 674, dated 28th May 1877.
From Collector, to Superintending Engineer, No. 397, dated 1st June 1877.

2. Colonel Moberly having forced me to report his action in refusing altogether to co-operate with reference to recent Government orders now rather late in the day, is making counter charges as regards what passed in the selection of roads last year or early in this.

3. His objections seem as unreasonable as many of his statements are. but as he has corresponded with Government direct, I may have no other recourse but to forward them for their consideration. I therefore wish these letters to be forwarded.

THE Board are most reluctant to trouble the Government with more of this most unprofitable correspondence; but as Mr. Barlow desires that these letters may be forwarded with a view to being considered together with any communications that Colonel Moberly may make direct to Government on the subject, they resolve to submit them for such notice as Government may think fit.
