No. 598. Proceedings of the Board of Revenue, dated 25th May 1877, No. 2,376.

No. 301. Proceedings of the Board of Revenue.
Read the following letter from W. McQUHA E, Esq., Collector of Madura, to H. F. SPOKES, Esq., Secretary to the Board of Revenue, dated Shembaganur, 8th May 1877.
No. 301.

I HAVE the honor to report the death of Doddappa Naiek, Zemindar of Doddappanaicknur, on the night of the 20th February last.

2. The estate is a settled pottam, the Sunnud Israr having been granted to the deceased Zemindar. It consists of two villages yielding an annual rent, according to the Jamabandi of Fasli 1285, of Rupees 7,064, and paying a peshcush of Rupees 2,179-2-8 to Government.

3. The deceased has left two widows and an undivided younger brother named Kathiriasawmy Naick, aged 37 years. The widows are respectively 35 and 25 years old, and the younger of them is said to be pregnant.

4. On the 16th February, or four days before his death, the late Zemindar sent for the Deputy Tahsildar and recorded his wish in the form of a statement that his two widows should succeed to the estate, and that they should be allowed to adopt a child, and that his brother should be contented with the Punnei lands and other moveables which have been granted to him. There was no mention of the pregnancy of the younger widow in the statement.

5. Subsequent to the death of the late Zemindar, the widows and the brother have severally sent arzis. Those of the widows are dated 23rd February and 8th March 1877. In these they allege that the younger widow is pregnant, and that if she gives birth to a male child, it must succeed to the estate, or else the younger brother of the deceased must become the Zemindar. They further express their wish that the estate at all events must be left to the management of the younger brother, who in his turn has made a similar request. All three have repeated these requests before the Tahsildar.

6. I would recommend that, until the result of the pregnancy of the younger widow is known, the estate be declared to be under the general management of the Court of Wards, leaving the younger brother of the late Zemindar to manage it.

7. The estate is indebted to the extent of about 10,400 Rupees, of which 9,375 are due under a registered bond. A list has been submitted to show that 4,000 Rupees are due to the estate. Except the jewels in the possession of the widows and a number of cattle, there is no personal property of any considerable value left by the deceased. His cash-chest contained only Rupees 22-13-8. It would appear that there is an outstanding arrear due by the ryots, amounting to Rupees 7,364, belonging to Fashis 1279 to 1285. Of these more than half or about 4,000 belong to fashis prior to 1284, and may therefore be presumed to be irrecoverable, the claim having been barred by lapse of time.

8. The balance of peishcush due up to April 1, 197.

SUBMITTED to Government with the recommendation that the estate be taken under the charge of the Court of Wards, the younger brother of the late Zemindar being appointed manager till the issue of the widow's pregnancy be known. If the child should be a male the Court's management will continue, if not the mother will become ~~proprietrix~~ *proprietrix.*
