GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

27th June 1877, No. 2,134.

Famine Relief.

Read the following paper:—

No. 618. Proceedings of the Board of Revenue, dated 9th June 1877, No. 2,710.
Read the following letter from R. DAVIDSON, Esq., Acting Collector of
Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue,
dated 29th May 1877, No. 508.

I HAVE the honor to submit the following estimates for the sanction of the Board
of Revenue and Government:—

- (1.) Road from Ernapad to Motkur in the Nundial Taluq, length 10 miles
Rupees 27,300.
- (2.) Road from Owk tank-bund to Bhogasamudrum Ghaut, length 15 miles
4 furlongs, Rupees 73,680..
- (3.) Road from Kalva towards Ramaleota up to Yemboi, length 3 miles, 4
furlongs, Rupees 9,600.

2. Number 1 is a continuation of the road from Nundial through Ayyavari-
kodur to Ernapad and Woncarrum, an estimate for which was submitted for sanction
with this office letter, dated 21st ultimo, No. 274, and is intended to connect Nundial
with Atmakur via Motkur. Work is now going on on the portion of the road from
Atmakur to Motkur, but it has been stopped on the part between Nundial and Ernapad
and the coolies transferred to the Trunk Road No. XVII. The portion for which an
estimate is now submitted is not in progress, and sanction is sought for the estimate
in order that we may keep ahead of our future requirements. The work will, of course,
not be undertaken until the repairs of existing roads and irrigation works are done
with.

3. Estimate No. 2 is for a road now in progress entered as road "from Owk tank
to Tadpatri" in the weekly Relief Return No. 2 submitted from this Office. The
expenditure on this road has far exceeded the estimate, but the greater part of it
was incurred at a time when there was a paucity of supervision. Estimate No. 3 is
also for a road in progress (*vide* road work No. 10 in the weekly Relief Return, Nundial
Taluq). The outlay on this work has also largely exceeded the estimate under the
same circumstances as noted in the case of the road from Owk tank to Tadpatri.

The Board sanction the third estimate. The first and second are submitted for the
orders of Government. The roads are marked on the relief maps.
