GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th August 1878, F.R. No. 1,749.

Famine Relief.

Read the following paper :—

No. 188. From J. GROSE, Esq., Collector of Nellore, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue (Famine) Department, Fort St. George, dated 30th July 1878, No. 3,094.

In my letter No. 2,050, printed in G.O., dated 8th June 1878, F.R. No. 1,298, I requested that the services of the Temporary Deputy Collector, C. Balaji Row, might be retained till about the end of the current month.

2. On account of emergent work in office, I was obliged to retain Balaji Row as Huzur Sheristadar in June and July. Towards the middle of this month Balaji Row had arranged to start for his canal work, but unfortunately he was prostrated by fever which, with other ailments, has incapacitated him from any travelling work at present. The sedentary duties of a Huzur Sheristadar he is able to do; but as he cannot travel for about twenty days more, I have the honor to request that the sanction of Government may be accorded for his services as Deputy Collector being retained until the end of September 1878, with his establishment costing only Rs. 62.

This appointment was sanctioned in Board's Proceedings, No. 6,013, dated 18th June 1878.

3. The Examiner of Public Works Accounts has passed all Balaji Row's compensation bills from the north of the Pennair up to Kanuparti. The bills to the south of the Pennair will, I presume, be passed in a few days. I think it very desirable that the same man who settled the compensation for the whole line should disburse it to avoid mistakes. If there is any delay on the part of the Controller in passing the remaining bills, Balaji Row's tenure of office will have to be extended for another month.

4. As directed in the Government order quoted above, Balaji Row's pay will be met from the ordinary head of Service for the days he is employed in my office, and the pay for the period spent on *bona fide* canal work will be charged to Famine Relief.

No. 189. ORDER THEREON, 13th August 1878, F.R. No. 1,749.

Miscellaneous.

THE Governor in Council desires that the Examiner of Public Works Accounts may be directed to press on the work of adjusting the bills for compensation referred to, and sanctions the

employment of Balaji Row on the work of disbursing the money awarded as proposed, his pay being charged to the ordinary head of Service and to Famine Relief, respectively, for the periods he may be engaged on ordinary civil duty or on famine work.
