GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

28th June 1877, No. 2,145.

Famine Relief.

Read the following paper:—

No. 642. Proceedings of the Board of Revenue, dated 25th June 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Madanapalli, 11th June 1877, Extra No. 1,435:—

As directed in paragraph 4 of the Proceedings of the Board of Revenue, No. 2,059, dated the 3rd May last, I beg to send, herewith, a revised Return of cultivation and collection for March 1877.

2. The discrepancy as to the averages of cultivation is due to a wrong entry in the statement for February. In Column 5 thereof 112,654 acres (for 112,414) against Madanapalli and 102,154 acres (for 95,414) against Voilpand were entered, thus making a total of 1,265,857 acres instead of 1,258,907 acres. In the revised statement now submitted the total obtained by adding the month's figures to this number corresponds with the total of averages of the column "Up to the end of the month."

3. As to the collection, the variations have been accounted for by some Tahsildars having by mistake entered the averages of the three former fasli years instead of the official years.

4. I regret that there has been delay in forwarding this statement as I had to refer to the taluqs for explanations.

Revenue Department

Proceedings of the Board of Revenue

Dated 25th June 1877

Order No 1435

From J. F. Price Esquire

As Collector of Cuddapah

To H. E. Stokes Esquire

Secretary to the

Board of Revenue

Madras

Sir,

As directed in para 4 of the Prot^o of the Board of Revenue No 2059 dated the 3rd May last, I beg to send herewith a revised statement of cultivation & collection for March 1877.

2. The discrepancy as to the averages of cultivation is due to a wrong entry in the statement for February

In Column 5 thereof 112 654 acres

(for 112414) against Bradanapalli, and

102154 acres (for 95414) against Vailpand

were entered, thus making a total

of 1265857 acres instead of 1258907 acres.

In the revised statement now submitted, the total obtained by adding the monthly figures to this number, corresponds with the total of averages of the column

up to the end of the month.

3. As to the Collection. The variations have been accounted for by some Tahsildars having by mistake, entered the averages of the three former Fashi years, instead of the official years.

4. I regret that there has been delay in forwarding this statement, as I had to refer to the Tahsils for explanations.
