GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

29th June 1877, No. 2,157.

Famine Relief.

Read the following paper:—

No. 666. Proceedings of Government in the Financial Department, dated 20th June 1877, No. 1,744:—

Read the following letter from the Additional Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, to the Chief Secretary to Government, dated 6th June 1877, No. 498:—

In reply to your letter, No. 1431, of the 7th ultimo, I am directed to state that my letter, No. 4-T, of December 1876, was intended to convey a request for immediate revision of all previously-accorded sanctions, and that it was followed by another communication (No. 78, dated January 20th) in the same sense, the terms of which appear to be perfectly clear. His Excellency the Governor-General in Council regrets that these communications should have been misunderstood; but as it appears from your letter that this was the cause of the revisions not having been effected until the 1st of March, His Excellency in Council will not now require that they should be put into operation from an earlier date.

2. With reference to the cases referred to in your third paragraph, I am to point out that Exception II of paragraph 4 of the Resolution of the 24th February 1877 has reference solely to officers brought *from other parts of India*, and not to such as may be transferred from one part of their Presidency to another, as they are at all times liable to be, in accordance with the exigencies of the public service. His Excellency the Governor-General in Council is therefore unable to agree with the Government of Madras that these cases come within the exception referred to. As, however, the Resolution of February 24th appears to have been misunderstood, His Excellency in Council will not insist on the refund of sums actually received by the officers in question, but requests that the orders in this respect which the Resolution contains may, as now explained, be carried into effect from the date of the receipt of these instructions.
