Read the following paper:—

No. 682. Proceedings of the Board of Revenue, dated 21st June 1877, No. 2,932

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 13th June 1877, No. 450:—

I HAVE the honor to forward, for the Board's sanction, the enclosed estimate, amounting to Rupees 3,391-13-0, for removing prickly-pear from the Perunagur supply channel of the Uttramerur Tank, in the Madrantacum Taluq.

2. There are no large relief works of any importance in progress in the taluq, and as the Cheyaur supply channel of the above tank is approaching completion, and employment is said to be much needed in the locality, I have authorized the Sub-Collector to put the work in hand at once in anticipation of the Board's sanction.

2. The rate, 1 Anna per square yard, seems high, and the Board presume that it includes the extirpation and destruction of the plant, and not merely clearing it from the banks of the channel.
