Famine Relief.

Read the following papers:—

No. 691-A. Proceedings of the Board of Revenue, dated 20th June 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, Madras, dated Madanapalli, 12th June 1877, No. 1,452.

I HAVE the honor to report that I find that the people in the relief-camps in many cases feel the want of tobacco and betel very much indeed, and that I strongly suspect that, in order to obtain these luxuries, they often barter away a part of their food with the people employed in the camp.

2. Dr. McNally is of opinion that allowing a small quantity of tobacco or betel would have a beneficial effect.

3. I, therefore, beg that I may be authorized to make an allowance not exceeding two pies per adult per diem for the purpose of allowing of the purchase of these articles.

SUBMITTED for the orders of Government.

2. The Board are of opinion that the supply of luxuries of the kind is not essential to relief of famine and should not be allowed.
