Famine Relief.

Read the following paper:—

No. 6-A. Proceedings of the Board of Revenue, dated 21st June 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 14th June 1877, Extra No. 1,493.

I HAVE the honor to request that I may be informed whether the G.O., Revenue Department, Miscellaneous No. 1,645-A, dated 5th ultimo, allows of Famine Officers drawing the allowances therein specified for halts made when away from their headquarters.

2. I ask this as I have had some bills sent to me in which halts are charged.

3. The wording of the Government Order quoted above is "for every day on which a march of at least 5 miles is made."

It halts are contemplated, and would not encourage them order ed to cover travelling expenses and that the making an addition thereby to their salaries. Relief Officers

THE Board are of opinion that the Collector's interpretation is correct, and should be acted on.

2. I ask this, as I have had some bills sent home in which halts are charged.

3. The wording of the G.O. is "for every day on which a march of at least 5 miles is made."

4. I do not think that halts are contemplated & would not encourage them by permitting any extra allowance to be drawn for them. It appears to me that the order is intended to cover travelling expenses, & not to permit of Relief Officers making an addition thereby to their

Salaries.
