I HAVE the honor to submit, for the sanction of Government, a plan and estimate of Rupees (214) two hundred and fourteen for improving and strengthening the iron gratings and doors of the Subsidiary Jail attached to the Collector's Cutcherry at Chittoor.

" Specification Report.

2. The estimate was prepared at the request of the District Magistrate, as the iron bars of the doors are weak and liable to be shaken, stronger bars are therefore proposed to be put in and additional cross bars. In the juvenile ward, where the bars were 6 inches apart, it was possible for a boy to get through, and the bars are to be moved to intervals of 4 inches.

3. I request that the enclosures may be returned when no longer required.

4. There are no funds at present available under Minor New Works, Civil Buildings.

No. 709. ORDER THEREON, 28th March 1877, No. 1,059.
