Sir,

Through
The Accountant General
Fort St George

With reference to my letter to Government, No 46 dated the 30 September 1898, I have the honor to report that as the survey of the 80 acres of forest land to be opened next year was urgently required, in order that the felling might be done early in the dry weather, I have had the work done by a private Surveyor who was formerly employed under the Revenue Survey Department. The cost of the work is Rs 80, and I have the honor to request that you will be good enough to obtain the sanction of Government for the payment of this sum which will be met from the sum of Rs 9540 provided

provided under "Propagation" in the Revised Budget Estimate for the current official year now before Government.

2. The survey of further areas of 80 acres for future extensions is awaiting the arrival of an officer deputed by the Survey Department.
