Read the following paper :—

No. 27-A. From L. C. PROBYN, Esq., Accountant-General, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 30th June 1877, No. 362.

With reference to paragraph 2 of the Proceedings of the Board of Revenue, No. 3,033, dated the 27th instant, in which it is stated that the "Board are not acquainted with the quantities supplied to Government by Messrs. Arbuthnot & Co.," I have the honor to state that in the memorandum of grain supplied to Government by Messrs. Arbuthnot & Co., forwarded to the Board of Revenue, copy of which was also submitted to Government with my letter, No. 251, dated the 5th instant, information was clearly afforded as to the total number of bags purchased by Messrs. Arbuthnot & Co. on account of Government; the number distributed among the several officers of Government as detailed therein as far as this office was informed, the number sold by Arbuthnot & Co., and the balance at Madras still to be accounted for by them.

2. Endeavours were also made to ascertain from the officers supplied the actual weight of the grain received by them; but I regret to find from the replies as yet received that it is not likely that any satisfactory information on the point can be obtained.
