GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

3rd July 1877, No. 2,187-A.

Famine Relief.

Read the following paper:—

No. 39-A. Proceedings of the Board of Revenue, dated 26th June 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 18th June 1877, No. 400:—

ADVERTING to the Board's Proceedings, dated 1st instant, No. 2,531, I have the honor to state that the allowance of 3 Pies per diem should be paid only for children actually produced on the relief-works daily. There is no necessity for a relaxation of this rule, since the parents employed on the works can easily have their children with them and produce them for daily inspection. A contrary course will, without doubt, lead to extensive frauds, and on that account I would deprecate the sanction of payment of the gratuity to any but children brought out into the works. I have seen many hundreds of such children, their mothers leave under a tree with usually an older child to look after them, and the nursing mother every now and then go and suckle the infants. I do not think that any better arrangement could be made.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 21st June 1877, No. 2,913.
