*Proceedings of the Madras Government, Revenue Department,
18th January 1877.*

No. 493. Read the following Proceedings of the Board of Revenue, dated 8th January 1877 :—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 3rd January 1877, No. 2.

I HAVE the honor to request that alterations as noted below may be made in the report of relief for the period ending 21st December 1876, submitted to the Board's Office on Tuesday the 26th instant :—

2. The time allowed for preparing these returns is so short that I fear it will be impossible to submit accurate returns unless more time will be allowed; the Tahsildars are compelled to hurry off their returns, and the result is frequent mistakes which cannot be rectified in this office. There is only one day for the preparation of these returns in this office; they ought to be received by the morning post and despatched by the evening mail under the present system.

3. I fear that accuracy is not compatible with the present haste in the compilation of the returns which increase in numbers every week.

SUBMITTED to Government in continuation of Board's Proceedings, dated 29th December 1876. The wrong entry as to Voilpaul clears up what seemed extraordinary in the numbers being fed there.
