Proceedings of the Board of Revenue

Dated 4th April 1877.

Read the following:—

Board's G. P. No. 3367. No. 1039/30

From

The Ag Superintendent

Revenue Survey.

To

The Secretary to the Board of Revenue.

Sir

I have the honor to acknowledge the receipt of Pro. Board of Revenue No. 4489 of the 26th March 1877 and to state that the letter referred to by Major Sargeant, Assistant Superintendent Revenue Survey, appears to have been the one addressed by the Acting Collector of Cuddapah to the

× Not submitted to Govt

to the Deputy Superintendent No 3 Revenue Survey, dated 31st January 1877 - Copy enclosed. The Deputy Superintendent and not Mr. Price forwarded a list purporting to be of men not required by the Acting Collector. No 7

2. Mr. Price does not seem to state positively that he cannot employ the men, but mentions that none of them will be of much use.

3. From the tenor of G.O. No. 825 of the 21st February 1877, it appears to be the wish of Government that Surveyors not suited for employment on Famine Relief should be sent

sent back to the Department.

I have the honor &c.

Enclosure.

No 7

From
J. F. Price Esquire
Ag. Collector of Cuddapah

To
F. C. Puckle Esqre
Deputy Superintendent
No 3 Revenue Survey
Palamanair

Sir,

I have the honor to acknowledge the receipt of your letter No 2/4 dated 10th Instant, and to inform you that I delayed replying to it until I had time to look about it and decide what to do with the men

men sent by you and how many more I should require.

2. I am afraid that none of them will be of much use in superintending works. They have no knowledge of what has to be done and I am therefore employing them as far as I can in Gomastah work, and in the District Engineer's Office. Three of the Surveyors are going out to help the D. P. W in measuring up work and preparing Bills for works completed.

3. I should be glad to have the services of some of the Draughtsmen who are available as well as those of

of any men who are passed Estimators. What we principally require at present is a staff which can assist in measuring up work and making estimates.

4. The party referred to in your letter under reply arrived on the 18th instant.

5. I should like four Draughtsmen and as many Estimators as may be available, sent as soon as convenient. The Talugs in which they will be required will be Cuddapah, the General Deputy Collector's; and Head Assistant's Divisions; and one Draughtsman and two Estimate

estimate makers to the Sub Division.
