GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

4th April 1877, No. 436.

Medical.

Read the following paper :—

No. 15. *From Surgeon-General J. F. BEATSON, M.D., Surgeon-General, Indian Medical Department, to the Secretary to the Government of India, Home Department, dated Fort William, 26th March 1877, No. 1827.*

In continuation of preceding correspondence connected with the requisition of the Madras Government for twenty-four extra Hospital Assistants for special duty in that Presidency, I have the honor to report, for the information of Government, that having received this morning the distribution list I was allowed to telegraph for, I have now completed the arrangements, and that some will proceed to their destination on Thursday next by British India Steam Company's Steamer touching at the coast ports en route to Bombay, others promptly by Rail to Nagpore, and the remainder to Rangoon and Moulmein on Monday next by the same Company's Steamer.

2. I trust it may not be found necessary for the Madras Presidency to make any further demands, as the heavy contingent already made up, fifty-eight in all, has very seriously drained and exhausted our available means.

No. 223.
