A letter from the Accountant-General, Punjab, No. 508, dated 17th January 1877, reporting that registers for a monthly comparison of contingent expenditure are not kept up, on account of the labour and expense which they would entail.

RESOLUTION.—The Governor-General in Council observes that it will suffice if the comparison and check of contingent expenditure, prescribed in the circular quoted above, be only annual, and that for this purpose the requisite details will be readily available from audit registers.

His Excellency in Council is accordingly pleased to dispense with the monthly register which the Account Department was directed to keep.

ORDERED that this Resolution be communicated, for information and guidance, to the several Local Governments and Administrations, the Comptroller-General, and the several Accountants-General and Deputy Accountants-General in independent charge.
