No. 83. ORDER THEREON, 14th April 1877, No. 501.

The course prescribed in paragraph 2 of the foregoing Order is likely to involve considerable delay. The Supervisor of the Government Press will therefore be requested to determine at once the number of copies which should be struck off.

(a.) For the supply to District Officers, as Judges, Collectors, Engineers, and Superintendents of Police; For Heads of departments at the Presidency;

(b.) For Secretary of State, Government of India, and other Governments.

2. Copies may also be struck off and sent to the Government Book Depot for sale. The Supervisor will fix the price and notify it in the *Fort St. George Gazette*.

3. It is desirable in future that, when works of a general character, as the Route Book, are to be printed at the Government Press the Public Department should issue the necessary order on the subject in the first instance.
